March 2023

Dear Vendors and Prospective Vendors:

The Old Town Emmet Farm Market is preparing for yet another successful season!

The market will be open starting Saturday, May 27, for a special plant sale and continue each Saturday through October 7—a full 20 weeks this year. Hours are 9 AM to 2 PM and each vendor has the option of staying longer (until 4 PM) if desired. Each vendor is allowed a 10-foot space to showcase their products. Shade canopies are recommended. Spaces for full season and half season vendors will be assigned prior to the first market.

There are three commitment levels available to all vendors—

- 1) Full season/20 weeks = \$130 in advance
- 2) Half season/10 weeks = \$70 in advance
- 3) Weekly = \$15 per Saturday

All vendors are required to be on-site by 8:30 AM for set-up and to attend their booths until 2 PM. If you are not on-site by 8:30 AM, or you have not contacted the Market Manager by 8:00 AM noting that you will be late, your space will be considered available for another vendor.

Please read the accompanying Vendor Information Sheet for more details. An application form, and waiver are also included that need to be filled out and should accompany your payment if you are planning a full or half season commitment.

Forms and payment can be sent to:

We hope you will join us!
Please let us know your level of participation by APRIL 15.

Thank you,

The Old Town Emmet Farm Market Committee
